WELCOME

It's the most wonderful time of the year, embracing and making the most of winter !

Hello and welcome to the Winter edition of YLLBB. We have been totally overwhelmed with the support and positivity we have received since our launch back in September. In 2020 we look forward to celebrating more local businesses with you and growing the YLLBB community where we can all thrive.

We are making the most of all that winter has to offer through this edition to help you achieve your business and lifestyle goals. We present some great ideas from landscaping, keeping fit and healthy, activities for children, business support, dining out or supporting a new charity. We are also delighted to welcome some new local services to help us all through another busy year.

We enjoyed meeting many of you last year at networking and community events and we are looking forward to bringing you new ideas and concepts of what you can get from your local community. So that we can do this in the best possible way we also want to hear from you. Do let us know your feedback or what you would like to see in future editions, please email us with your thoughts.

Community is definitely at the heart of YLLBB and we are still reminiscing the fantastic day we had at the Christmas Fayre. A special thanks to The Reigate Business Guild for months of hard work to create such a magical day for all, but also to those businesses who contributed and supported our Christmas raffle. We raised more than £900 for six local charities in December and that support is set to continue.

This year more than ever we believe that by coming together we are stronger, so if you are thinking of growing your business or just want to find out more about the people behind Reigate's businesses, you are in the right place.

Wishing everyone a prosperous, happy and healthy 2020.

THE MARKET STORES

A picturesque pub situated on the high street in the heart of Reigate, offering an escape from the hustle and bustle of work life with an eclectic range of craft beers and spirits. Why not join us on Wednesdays for 2 G&T's for £10, featuring an ever-changing recommended gin of the week. For those that enjoy a good toe-tapping, we have live music every Thursday as well as open mic on Sundays, both starting at 8pm.

For those that fancy a night off from the daily routine, let our chefs take the load off by rustling up a delicious spread for you and the family. Running alongside our a la carte menu are a variety of seasonal chef's signatures, bringing together great quality, locally sourced ingredients sure to whet your appetite.

We also offer a large capacity upstairs function area, equipped with its own bar and seating for up to 90 guests catering for wedding receptions, office parties, private events or even just a quiet meeting space. Ask our team or go online to see our functions pack for more details.

As the weather gets more pleasant it's time to make the most of our secret terrace garden situated at the rear of the pub. Sitting away from the main street you'd be forgiven for thinking you were relaxing in a country garden in the Surrey hills.

CLICK & YLLBB

We are delighted to have been working with Click Computer Services over the last few months, they have been really impressed with how YLLBB has promoted their presence, this is what Roy Burrows shop manager had to say...

Click £5 Orange Token Scheme

Supporting Local Business, Residents and Charities

“I highly recommend YLLBB, the team are very passionate about promoting local businesses and we here at Click Reigate have experienced a step increase in business from being associated with the publication and team. We will continue to support the publication and advertise in the future”.

We take pride to share with you our great joint initiative to give back into our local community. You may recognise the bright Orange Token, distributed at the Christmas Fayre at the YLLBB stall. The initiative is to either use your token (if you were lucky to

get one) in store for £5 off any service or you can donate the token into the YLLBB charity box where we will gift to local charities. Fantastic scheme with a great vision to give back into our community, to date Click has donated £200.

The Giant Pledge to Help Beat Childhood Cancer is a local charitable initiative in support of the Royal Marsden Cancer Charity. After the Woodall's four-year-old son was diagnosed with cancer they created this campaign to fund childhood cancer research and support.

Projects include the renovation of an isolation room at East Surrey Hospital, funding paediatric oncology research posts, a psychologist and two play therapists to hand hold children through their cancer treatment.

We're looking for foster carers for children aged 0-18 years.

If you can open your home and heart to a child, we would love to hear from you.

Our vision is that: "Every child and young person will be safe, healthy, creative, and have the personal confidence, skills and opportunities to contribute and achieve more than thought possible".

ROYAL HILL PARK

Enjoy living in an inclusive community at Royal Hill Park in stunning Redhill, South Downs.

Ideally positioned in the rolling hills of South Downs, Royal Hill Park is a unique development of four- and five-bedroom homes by home builder Countryside in partnership with the Royal National Institute for the Blind. The development, consisting a total of 77 private sale homes alongside 50 units of specialised accommodation for those with visual impairment has been expertly designed to provide inclusive accommodation for RNIB residents and exceptionally unique private homes in Redhill, Surrey.

Combining the luxury of modern living with the comfort of the beautiful Surrey countryside, Royal Hill Park offers something for everyone. The stunning homes within boast high-specification finishes throughout, spacious rooms and innovative design solutions that perfectly meet the needs of family life. Redhill is perfect for family life with over a dozen schools being within an immediate one-mile radius and a 31-minute train journey from London.

This inclusive development provides a 'Sensory Trail' for both RNIB and private residents to interact with and enjoy. This Sensory Trail, by award-winning landscape architects LDC, has been sensitively designed to create a landscape of sounds, smells and textures that act to help guide residents with impaired vision throughout the development. Developed in consultation with blind and partially-sighted residents, Royal Hill Park's landscaped gardens incorporate plants and materials selected specifically to provide a multi-sensory experience.

'The Mind's Eye Garden' project (designed by Studio Loci in partnership with Countryside) won Gold at the RHS Chelsea Flower Show in 2014. These garden designs have inspired Royal Hill Park's unique and progressive approach to helping facilitate co-habitual living amongst all walks of life.
